

Corporate Volunteering at hyh

Support hyh with your workforce and help us in our mission to break the cycle of youth homelessness in Hertfordshire. By donating your time, you and your team will make a positive impact to those in need of our services across the county.

With various opportunities available, volunteering is a fantastic way for your team to come together and support young people whilst boosting staff morale and strengthening relationships within your own team.

Whether it's helping us pack for our Sleepout or spending a day at our Future Roots project, every minute your team gives to hyh will make a real difference.
